Yealink CP900 Portable Speakerphone

The Yealink CP900 is a premium, portable USB/Bluetooth speakerphone, ideal for meeting spaces/huddle rooms, personal use and when out and about and on-the-go.

Yealink CP900 Key Features

- Premium HD Voice for calls and music
- 6.5-foot (two-meter) 360-degree microphone pickup range
- Six-microphone beamforming array for full-duplex experience
- USB or Bluetooth connectivity for notebooks, smartphones and tablets
- Portable design

Mobile, elegant and light (320g) design, the CP900 is ideal for on-the-go business professionals for storage in a suitcase. High-quality audio

Wideband audio, HD voice and six-microphone beamforming for a premium full-duplex experience all make it easier to be heard and involved in the meeting.

Enjoy crystal-clear sound thanks to Yealink's distraction-free HD audio technology, which includes AEC, NS and DSP.

Ease of connection

Simple plug-and-play USB or Bluetooth connections to computers, smartphones and tablets.

Touchable smart button

Multiple buttons for full call-control compatibility offer a low-learning-cost experience and call effectiveness.

Deep integration with Microsoft Teams includes a dedicated Teams button, making it easier for users to achieve Teams collaboration. Yealink CP900 Speakerphone Technical Specifications General
