Yealink ZVC830 Zoom Rooms Kit for Large and Extra-Large Rooms

The Yealink ZVC830 is designed for large and extra-large rooms. It is a complete Zoom Rooms package containing a full hardware suite (mini-PC, touch console, camera, audio devices) as well as the requisite software and licence.

Yealink ZVC830 Key Features

- 1/2 Yealink UVC80 USB PTZ Camera
- 1/2 Yealink MTouch Console
- 1/2 Yealink VCM34 Array Microphone + Mspeaker

Yealink VCM34 Array Microphone has 20ft (6-meter) voice pickup range, featuring Yealink Noise Proof technology, everyone's voice in the room is heard clearly. The Yealink UVC features a 12x optical PTZ camera for sharp, smooth and stable video with a deep focus field. The wide-angle horizontal field-of-view lens and adjustable camera angle provide a broad view of board and training rooms.
