

## Huddly GO Room Kit (7090043790085)

Product Name: Huddly GO Room Kit (7090043790085)

Manufacturer: Huddly

Model Number: 7090043790085

Huddly GO Room Kit (7090043790085)

The Huddly GO Room Kit is a compact, ultra-wide angle collaboration camera that improves over time with each new software feature upgrade.

Huddly GO Room Kit Key Features

- 16 Megapixels 1/2.3" CMOS Sensor
- High-quality scaling and dewarping
- 3D noise reduction
- Automatic white balance and colour correction
- Optical aberration correction
- 4x digital zoom
- Low latency video processing
- Ultra-wide angle glass optics
- Diagonal field of view 150°

Huddly GO gives you total flexibility. It's suitable for all sorts of video meeting environments - from laptops to open collaborative spaces, small huddle rooms and even medium sized meeting rooms, Huddly GO makes sure everyone can be seen and feels part of the conversation. High quality with effortless setup Huddly GO gives you an outstanding video experience straight out of the box. It couldn't be simpler - just plug it in and it works. Ultra-wide angle lens Huddly GO's 150° ultra-wide angle lens lets you capture everyone in the room, transforming even the smallest rooms into high-quality conference rooms. Flexible, portable and intelligent No matter where you set up your meeting or how many people you are talking with, Huddly GO adapts to your surroundings, letting you communicate and express yourself naturally. All in crisp, crystal-clear video. The Huddly GO Room Kit includes a 2m (6.5ft) USB 3.0 cable for desktops and rooms in addition to the standard 60cm (2ft) USB 3.0 laptop cable.
