

## Grandstream GUV3005 HD USB Headset with Busy-light

Product Name: Grandstream GUV3005 HD USB Headset with Busy-light

Manufacturer: Grandstream

Model Number: GUV3005

Grandstream GUV3005 HD USB Headset with Noise Cancelling Mic and Busy-Light

The Grandstream GUV3005 is a USB powered HD headset with a noise cancellation microphone to minimise background noise and provide crisp HD audio. It pairs with VoIP phones, laptops and computers to offer high-quality sound. The GUV3005 also features a busy-light to indicate when a call is in progress. This headset is ideal for remote workers and busy environments.

Grandstream GUV3000 Key Features

- HD audio for crystal clear and easy communication
- USB compatibility
- Noise cancellation technology to minimise background noise
- Adjustable headband, in-line controls and left or right wearing style
- Busy-Light to indicate a call in progress

The GUV3005 provides all day comfort with adjustable headbands and soft ear cushions. Audio is easily adjusted using the in-line controls. By offering crystal-clear HD audio, comfortable use and wide compatibility, the GUV series is ideal for remote workers, call centres, receptionists, sales teams and more.

Grandstream GUV3000 Technical Specifications  
General

- Connection type: USB2.0, USB-A
- Wearing style: Adjustable headband

### Speaker

- Speaker Diameter: 27mm
- Impedance:  $32 \pm 15\% \Omega$
- Sensitivity 94dB: (at 1kHz 1mW)
- Frequency Response: 20Hz~20kHz
- Distortion Max: 3% @ 1kHz
- Default Input Power 10mW
- Maximum Input Power 20mW
- L/R Volume Level Difference Average  $\leq 3\text{dB}$  (at 1kHz 1mW)

### Microphone

- Dimension:  $4.0 \times 2.2 \text{ mm}$
- Output Impedance:  $< 2.2 \text{ k}\Omega$
- Sensitivity:  $-44 \pm 3\text{dB}$   $f=1\text{kHz}$ ,  $P_{in}=1 \text{ Pa}$
- SNR  $\geq 55\text{dB}$   $f=1\text{kHz}$ ,  $P_{in}=1\text{Pa}$  A-Weighted Curve
- Frequency Response: 100Hz~10kHz
- Directivity: Cardioid
- Microphone Boom Arm Rotation:  $235^\circ \sim 730^\circ$

### Additional Features

- Busy light: Integrated
- Application Compatibility: Support popular communication applications (such as Zoom, Teams, Slack, WebEx, IPVideoTalk, Grandstream Wave, Counterpath, 3CX soft phones) and IP phone devices

## Grandstream GUV3005 HD USB Headset with Busy-light

• Temperature: Storage: -40°C ~ 70°C Operating: -10°C ~ 50°C

• Weight: 192g

• Cable Length: 2 meters

• Packaging: Headset, Quick User Guide

• Certifications CE, FCC
