Ubiquiti UniFi Access Reader Pro
The Ubiquiti UniFi Access Reader Pro is a premium NFC and Bluetooth reader with sharp touchscreen display and high-resolution camera, a part of the UniFi Access solution.
Ubiquiti UniFi Access Reader Pro Key Features:

ï¿½ Premium NFC and Bluetooth reader
ï¿½ 802.3af PoE powered by UniFi Access Hub
ï¿½ Advanced NFC credentials, including MIFARE DESFire
ï¿½ High resolution touchscreen and integrated camera
ï¿½ Built-in security element chip
ï¿½ For the best NFC security, use with our UA-Card
ï¿½ Mobile access with app (future software release)
ï¿½ Intercom call functionality to request entry (future software release)

The UniFi Access Reader Pro has been designed for superior guest experience and employee convenience. The PoE powered reader is easy to install and supports the latest NFC security standards including AES-128 encrypted MIFARE DESFire. Unlocking the door is quick and secure with NFC card or with mobile app.
