Fanvil X3SG Lite Entry Level IP Phone

The Fanvil X3SG Lite is an entry-level IP Phone. With HD audio, 2.3-inch Dot-matrix display, 2 SIP lines, local 6-way conference call and other extended features like EHS headset, it provides the high-quality and convenient experience for users at an affordable price.

Fanvil X3SG Lite Key Features

- 2 SIP lines, SIP hotspot
- 2.3" Dot-matrix display
- HD audio on speakerphone and handset
- Support local 6-way audio conference
- Dual Gigabit ports, integrated PoE

Simplicity and Ease of UseBy inheriting the aesthetic design of Fanvil's previous generation IP phones, the X3SG Lite's appearance is elegant, simple and stylish. The intuitive and user-friendly UI, make navigation easy and requires minimal training.**HD Audio Call with Excellent Noise Reduction**The X3SG Lite supports full HD audio effect, by built-in HD audio handset, HD speakers, and using wideband audio codec protocol G.722 and Opus. Efficient ANS (Automatic Noise Suppression) technology can reduce the background noise in different environment, and provide you comfortable communication experience.

Support 6-way Audio ConferenceThe X3SG Lite supports 6-way audio conference, the conference organizer can invite up to 5 participants to join in the conference, making the collaboration between different departments or organizations easier and more efficient.**High Scalability with DSS Keys**Line keys can also be adjusted as DSS keys according to the requirements of the configuration to achieve application functions. Each DSS key can be set to LINE /BLF/ speed dial extension which can be triggered by one click after configuring the change function.**Flexible Office Collaboration**The X3SG Lite supports connecting the EHS wireless earphone through the EHS adapter so you can multitask while making an audio call, that will greatly improve your work efficiency.**Flexible Installation for Multiple Scenes**The PoE function enable power supply and networking via one cable. 45° or 50° angle installation mode for desktop scenario, or wall mount mode with the wall bracket accessories (require additional purchases), which can meet the needs of various office environment
