

Yealink BYOD-Extender

Product Name: Yealink BYOD-Extender

Manufacturer: Yealink

Model Number: MVC-BYOD-Extender

Yealink BYOD-Extender

The Yealink BYOD-Extender can transform MTR conference rooms that have deployed MVC devices into multi-functional conference rooms, to bring your own meeting on different video platforms.

Yealink BYOD-Extender Key Features:

- Plug & play
- Simple & flexible deployment
- Up to 100-metre deployment

Simply plug a USB cable into your laptop, run any video software you want to use, and enjoy the immersive meeting experience provided by the audio and video equipment in the conference room..

Installation and deployment takes just 5 minutes.
