Manufacturer: -

Model Number: HAF320

Please Note: This product has been discontinued. Please see Snom Accessories.

snom High Foot Stand for snom 326, 360 & 370
The foot stand for the Snom 320, 360 and 370 gives the phone a new look and lifts the phone upright, providing its users a clear view of the phone.
With the foot stand you do not need to lean over to use the phone as the phone lifts up to a more comfortable height to make it easier for you to make and receive calls.
The foot stand fits into the phone at the rear end just like the standard stand but in different slots.

Price: £19.00
