

JPL Commander-PB v2 Binaural Headset (575-365-004)

Product Name: JPL Commander-PB v2 Binaural Headset (575-365-004)

Manufacturer: JPL Telecom

Model Number: 575-365-004

JPL Commander-PB v2 Binaural Headset (575-365-004)

The JPL Commander is Premium, yet affordable Quick Disconnect headset available in both monaural (Commander PM) and binaural (Commander PB) wearing styles.

The Commander's superb microphone includes JPL's Surround Shield™; noise cancelling technology, this results in a 'dramatic' reduction in background noise being transmitted.

Lightweight, fully adjustable, comfortable and completely wearable for 8 hours plus. The microphone boom arm is flexible for precise positioning (perfect position is 'two finger' widths from the mouth).

JPL Commander-PB Binaural Headset (575-365-002) Key Features

- ½ Left / right speaker side compatible
- ½ Plantronics Style QD compatible
- ½ GN Netcom/ Jabra QD option available by special order
- ½ Fully flexible microphone for exact positioning
- ½ Put and stay ratchet microphone boom arm
