

Yealink CP935W HD IP Conference Phone

Product Name: Yealink CP935W HD IP Conference Phone

Manufacturer: Yealink

Model Number: CP935W

Yealink CP935W HD IP Conference Phone

The Yealink CP935W is a wireless touch-sensitive HD conference phone designed for small to medium conference room. The CP935W adopts a business and introverted design that perfectly matches the calm style of the conference room, also adopts an acoustics fabric, which is impervious to any accidental liquid spills. Its fingerprint-proof LCD screen with a clear UI interaction page makes it easy for everyone to control the meeting.

Yealink CP935W Key Features:

½ 4-inch multi-touch screen with 480x800 resolution

½ Optimal HD audio, full duplex technology

½ Yealink Noise Proof Technology

Modest Design, Easy-to-Use User Interface

The Yealink CP935W is a hermit in a conference room. Its black acoustics fabric can realize crystal-clear audio and is resistant to water, oil, and stain. Its ultra-thin body, appropriate desktop fit, and ingenious hidden wiring slot, perfectly fit for the simple business style in the conference rooms. Additionally, its built-in Linux system and easy-to-use UI interface, allow users to launch a meeting with one button and increase user adoption.

Built-in Battery, Wi-Fi and DECT to Minimize Deployment Costs

The CP935W has a built-in battery and Wi-Fi, you can register a SIP account directly through Wi-Fi. The CP935W allows you to deploy without using power and network cable to provide you with a wireless and clean conference room.

HD Audio, Smooth Communication

The Yealink CP935W adopts Y-shaped design and has 6 built-in microphones for sound pickup. Its 20-foot and 360° omni-direction sound pickup provide users with clear and natural voice conference experience.

Rich Features and High Expansibility

The CP935W supports 5-way conference call, enabling participants from different locations to communicate smoothly, and reducing costs for your company. You can also connect CP935W to your mobile devices(such as smart phone, personal computer, etc.) through Bluetooth or USB port to realize Hybrid UC meeting (including SIP, mobile phone, PC). Moreover, the Bluetooth wireless expansion microphone. The CPW25 provides 3-meter sound pickup range, which expands the sound pickup range while still keeping the conference room table clean.
