Spectralink Versity 95 Series WiFi Phone with Scanner
The Spectralink Versity 95 Series is a premium enterprise-grade smartphone solution. This best-in-class device is a perfect solution for voice-critical, zero downtime, rugged 24x7 environments that demand superior power and application functionality. The Versity 95 Series improves work-life for users and leads to increased customer satisfaction.Spectralink Versity 95 Key Features:

ï¿½ Sleek and compact form factor fits easily in one hand or pocket
ï¿½ Rugged design to perform in harsh environments without damage from drops or cleaning solutions
ï¿½ Crystal clear, engineering optimized voice quality for communication in noisy environments
ï¿½ Built-in scanner for fast and accurate barcode scanning, even in low light

The Spectralink Versity 95 supports leading applications, including paging, messaging, voice recognition, alarms, secure messaging, single sign-on, and location services for uninterrupted communication on the move. Spectralink mobile application partners offer access to a wide range of communication and industry-specific applications that ensure greater efficiency and real-time communication for mobile workers. Vertical specific applications include nurse call, patient monitoring, inventory control, and access to hotel service systems. Plus, the Versity 95 has access to a broad collection of Android-based applications, including Google Mobile Services, to ensure technology stays current.Mission-critical availability

ï¿½ Versity 95 has a true hot-swappable battery. Users can swap out the battery while using an app or on a call without missing a beat. This means zero downtime and no lapses in mission-critical operations or communications.
ï¿½ Versity 95 Series’ superior engineering provides optimized “anywhere communication” with in-building Wi-Fi, Bluetooth, GPS, and NFC, giving you all the wireless connections you could ever need. No need to stay tied to a landline, find a phone to answer an overhead page, or worry about losing a call or information access on the move.
ï¿½ Versity 95 Series SAFE or ‘man down’ features provide workers with the reassurance of safety anywhere on the job.

User-Friendly Design

ï¿½ Versity 95 eliminates the need for multiple devices like landlines, scanners, and laptops. At 6″ tall and only 12 mm thick, Versity 96 delivers a sleek and lightweight enterprise-grade device.
ï¿½ Large 5.2″ touchscreen with 1080 x 1920 resolution and Qualcomm Snapdragon™ 660 octa-core 2.2 GHz processor supports mission-critical applications and easy readability in the palm of your hand
ï¿½ Users can easily assign dedicated keys to access their most-used device features and applications — such as Push to Talk, secure messaging, or the scanner
