

Yealink MP58 Smart Business IP Phone Zoom Edition

Product Name: Yealink MP58 Smart Business IP Phone Zoom Edition

Manufacturer: Yealink

Model Number: MP58-zoom

Yealink MP58 Smart Business IP Phone Zoom Edition

The Yealink MP58, which is certified as a Zoom Phone Appliance, has native Zoom Phone and Meetings capabilities, allowing users to communicate easily with premium video (receive only), audio, and whiteboard features.

The MP58's responsive 7-inch touch screen displays a welcoming and intuitive UI with the built-in native Zoom application, allowing meeting schedules to be synchronised and managed with simple touches, making collaboration more efficient and easy than ever.

Yealink MP58 Key Features

- Android 9.0

- 7 inch (1024 x 600) Capacitive Adjustable Touch Screen

- Optimal HD audio, Yealink Noise Proof Technology

- Built-in Bluetooth 4.2 and Dual Band 2.4G/5G Wi-Fi

- Supports Yealink Bluetooth Wireless Handset BTH58

- Supports up to 3 Expansion Module EXP50

- 2 x USB Type A ports

- Dual-port Gigabit Ethernet, supports PoE

- Supports Yealink/Unify Square Device Management Platform

Excellent Calling Experience

Yealink Optima HD Voice technology combines cutting-edge hardware and software, including Yealink Noise Proof Technology, to enable crystal clear voice conversations. The hardware in the MP58 includes a full-duplex hands-free speakerphone with AEC and HAC handset, allowing the user to focus on the call's content.

Rich Functionality

The Zoom-tailored user interface and the 7-inch flexible multi-point screen give a rich visual presentation and simple menu navigation. With built-in Bluetooth, built-in Wi-Fi, USB headset, Hybrid mode, Boss/Admin, and the optional Bluetooth wireless handset capabilities, the MP58 offers unrivalled capability and expandability.

Efficient Provisioning and Management

Yealink's efficient auto-provisioning method, which includes phone deployment and configuration, is integrated into the MP58. Administrators can use centralised deployment, management, and updating to their benefit. MP58 also supports Yealink/Unify Square Device Management Platform, as well as other device management platforms.
