Product Name: Sangoma P370 Executive-Level IP Phone

Manufacturer: Sangoma

Model Number: 1TELP370LF

Sangoma P370 Executive-Level IP Phone (1TELP370LF)

The Sangoma P370 delivers a sleek desktop presence for the executive user with a large 7.0" 1280x800 color IPS touchscreen display. It includes high definition audio, unprecedented plug-and-play deployment, and advanced built-in applications that include voicemail, call log, contacts, phone status, user presence, parking, and more.

Sangoma P330 Key Features

- Large 7.0" 1280x800 colour IPS touchscreen display
- 16 lines (soft-keys)
- Bluetooth and Wi-Fi Support
- Built-in business applications
- Support for our PM200 attendant console

Highly Integrated Productivity Applications with P-Series Phones

Visual Voicemail: See who left you voicemails, along with timestamps and full control to skip and delete.

Queues: Get a full overview of call queue activity; perfect for managers who need to see at-a-glance information about the queues on the system.

Parking: See all parked calls on the system in a visual display and pick up the one you want!

Call Log: In addition to standard call logs, the Call Log app allows you to see the last 50 calls made on the system, persistent across reboots!

Status (Presence): See and change your status and control how calls are handled based on the status. Status options, such as "Away" or "Away - At Lunch" are controlled by the Presence State Module in your phone system GUI.

Contacts: Search for contacts/users or groups, created by the Contact Manager module, to call users easily.

Recording: On-demand recording allows the user to start and stop recording at any time by using a phone button.

Hot Desking (Login/Logout): Log in or out of any phone and have all your extension and user settings follow you.

Conference: See all your conference rooms and view the callers in each. You have full control to admit or deny access, mute callers, or remove callers from a conference room.
