Logitech C920e Business Webcam (960-001360)

The Logitech C920e is a work-from-anywhere HD 1080p webcam that surpasses the video and sound quality provided by most laptops. Step up to professional-quality video collaboration at a price point ideal for deployment at scale.

The C920e is ideal for displaying individuals in a well-balanced frame. The fixed 78° field of view captures a “just-right” view of the user and their environment while also providing sufficient room to visually share projects and other items of interest.

Logitech C920e Key Features

- Ideal dFOV for individual users

- Dual microphones

- Privacy at your fingertips with an attachable privacy screen

Small teams can run their own video conferences anytime, anywhere. The all-in-one BCC950 video conferencing system, with its high-definition, plug-and-play webcam and speakerphone, is ideal for small rooms or teams of 1-4 people. Set it up quickly and easily at an office desk or on a conference table. HD video and crystal-clear audio combine high quality with high value.
