

Grandstream GRP2636 12-Line Professional IP Phone

Product Name: Grandstream GRP2636 12-Line Professional IP Phone

Manufacturer: Grandstream

Model Number: GRP2636

Grandstream GRP2636 12-Line Professional IP Phone

The Grandstream GRP2636 is an executive-quality 12-line model with a 4.3-inch color LCD screen designed with zero-touch provisioning for mass deployment and easy management. The GRP2636 features a sleek design and a suite of next-generation features including 5-way voice conferencing to maximize productivity, integrated PoE & Wi-Fi, full HD audio on both the speaker and handset to allow users to communicate with the utmost clarity.

Grandstream GRP2636 Key Features:

- 12 lines, 6 SIP accounts
- Supported by GDMS which provides a centralized interface to configure, provision, manage and monitor Grandstream devices
- RJ9 headset jack allowing EHS with Plantronics headsets, and integrated USB Headset support
- Full-duplex speakerphone with HD audio to maximize audio quality and clarity
- Equipped with noise shield technology to minimize background noise

The GRP series includes carrier-grade security features to provide enterprise-level security, including secure boot, dual firmware images, and encrypted data storage. For cloud provisioning and centralised management, the GRP2636 is supported by Grandstream's Device Management System (GDMS), which provides a centralised interface to configure, provision, manage and monitor deployments of Grandstream endpoints.

The GRP2636 is the perfect choice for busy professionals and receptionists who need to manage high call volumes, with advanced functionality. Designed for easy deployment by enterprises, service providers, and other high-volume markets, the GRP2636 offers an easy-to-use and easy-to-deploy voice endpoint.

Grandstream GRP2636 Technical Specifications
